## COMPANY PROFILE

Ultra-Controlo is the Portuguese reference in the design, manufacturing, supply and installation of medical gas systems for hospitals and clinics.

For more than 30 years we are providing the best service and technical support for all our customers including worldwide known gas suppliers. The medical systems are manufactured under a Quality Management System according to ISO 13485:2016 and ISO 9001:2015 and they are certified by the Notified Body SGS-UKAS (CE-0120) as Medical Devices. They meet and exceed the essential requirements of the European Directive 93/42/EEC and built under ISO 7396-1 and ISO 7396-2.

Ultra-Controlo is able to operate under different medical gas standards, as requested.

Our background as sole distributors of leading manufacturers worldwide in vacuum and compressed air allowed us to go one step in front and offer very innovative medical gas systems to the customers. Our medical vacuum systems, ULTRAVAC with Elmo-Rietschle vacuum pumps and our Medical Air Systems, ULTRAAR with oil-less compressors, and ULTRAOX are one of the most reliable medical gas systems available now for the whole world!
