COMPANY PROFILE

"Passionate about coffee, Fiamma produces professional espresso machines designed to bring out the best in coffee drinks. At the FHA, Fiamma's newest Multiboiler and Pressure Profile model, the ASTROLAB, is the star!

Baristas will also love the COMPASS, available in Dual Boiler or Multiboiler technology that allows total control over all extraction parameters while granting maximum temperature stability - for perfect results in the cup!

The new QUADRANT DIGITAL and the restyled CARAVEL complete the range of high performing and extremely reliable Fiamma espresso coffee machines.

Business partners benefit from Fiamma's 40 years of experience in product development and international distribution. Fiamma coffee machines bring together state-of-the-art technology and design and provide the foodservice industry with attractive coffee solutions.
