## COMPANY PROFILE

NATA PURA is the brand of excellence of a culinary treasure known as "NATA". Created around the 18th century by portuguese monks, it's a pastry that has been cherished and nurtured through time, and is now acknowledged as one of the top pastries of the world, as attested by published articles in most recognized international media. It is now ready to take on the world, under a premium brand that guarantees prime quality whether you find yourself in New York, Rio, Hong-Kong, London, Dubai, Moscow or any other place on earth.
