COMPANY PROFILE

PROHS is a company specialized in manufacturing Sterilization and Disinfection equipment for the medical and laboratory field, as well as projecting and implementing turnkey RUMED/CSSD projects. PROHS is recognized for the quality and reliability of its products, being in the market since 1967.

The constant investment in R&D allows PROHS to keep its products up-to-date and competitive, assuring that our sterilizers and washer disinfectors stay modern, efficient, and capable of adjusting to the demanding needs of the medical and laboratory sector. All these key factors, plus a rigorous product certification, allow PROHS to be an international reference on the sterilization market, with products installed in more than 50 countries, with presence in the 5 continents.

PRODUCTS

Horizontal Steam Sterilizer; Instrument Washer Disinfecter; Bedpan Washer Disinfecter Plasma Sterilizer; Heat Sealer; Vertical Steam Sterilizer; Laboratory Autoclave; Stainless Steel furniture; CSSD/RUMED Design.
