COMPANY PROFILE

Since 2005, we have been a customer-focused company that has evolved from distributors to manufacturers while maintaining our roots and partnerships. Globovac provides quality services at competitive prices, driven by professionalism and rigor. Our mission is to create quality products that meet all market needs, ensuring customer satisfaction. We are always thinking about the future, and we want you to be a part of it. Join us in the present, and we will look back on our journey with pride. As importers of materials and accessories for central vacuum, we keep a large stock in store, allowing us to respond quickly to customer requests. Our technical department has extensive knowledge of central vacuum systems and can provide training to customers for working with the same quality as our products. Come visit our stand and see our latest manufactured novelty, GVent, an MVHR/VMC mechanically controlled ventilation system.
