## COMPANY PROFILE

Barro. is a Portuguese brand, owned by Cerâmica da Borrallheira S.A., dedicated to create and produce tiles using a long-lasting natural material: clay.

We trust in the strength of natural and recycled materials for a better, more sustainable world.

Combining craft and knowledge with contemporary designs based on geometric shapes, 3 dimensional illusions and vibrant color palettes we design tiles meant to resist trends, be loved and functional over a lifetime.

We believe in taking time, slowing down and making things with our hands by designing meaningful and beautiful products.

We embrace mistakes and imperfections: they remember us that we are human.

Barro. tile is not a common tile, we fully embrace and celebrate the qualities that make it so unique. It is handled, cared for and finished by real people. This is Barro.

WE CREATE PERFECTLY IMPERFECT TILES.

## PRODUCTS

Our tiles are very resistant and can be used indoors or outdoors.

We can develop any color based on Pantone, RAL or NCS codes.
