COMPANY PROFILE

Established in 1978, Codil specializes in plastic housewares injection and distribution. Its operations span from product research and development (R&D) to mold conception, serving diverse B2B sectors. Recognized for product innovation, quality, and customer satisfaction, Codil holds ISO 9001:2015 certification, ensuring compliance with industry standards. Located in Oliveira de Azeméis, Portugal, its modern facility boasts a flexible structure and a dynamic team committed to continuous improvement. Early investments in internationalization facilitated modernization and creativity. Codil annually participates in renowned global expos, fostering a robust distributor network and global brand recognition.
