## COMPANY PROFILE

Mundotêxtil is internationally recognized as one of the world's leading producers of home textiles. We operate under a vertical business model, which begins with the purchase of yarn and ends with the delivery of the final product.

We have been investing in research, development and design ever since the company was founded, in 1975, and can offer a portfolio of products and services with high added value. We thus anticipate the trends of the most demanding markets, meeting the expectations of all our customers and partners.

We are a company with a clear strategic business focus and we stand out for our profile of quality, service, design and innovation.

#PARTOFOYOU

This is our commitment – aiding our client's growth and our community's and team's prosperity. This is why Mundotêxtil is wholeheartedly involved in the success of those around us, making us a part of each of them.

## PRODUCTS

Mundotêxtil produces several types of products, such as bath towels, bathrobes, bathmats, beach towels, kitchen towels, using a variety of yarns.

## EXPORT MARKETS

Mundotêxtil exports 98% of its entire production to 40 countries, spread across 5 continents, of which France, Italy and the United Kingdom stand out.
