

## Invitation to the 2026 Macao International Environmental Co-operation Forum & Exhibition (2026MIECF)

### Associação Empresarial de Portugal :

We are delighted to extend a formal invitation to you and your esteemed organisation to participate in the **2026 Macao International Environmental Co-operation Forum & Exhibition (2026MIECF)**, which will take place from **the 26th to 28th of March (Thursday to Saturday) at Cotai Expo, The Venetian Macao**. Organised by the Government of the Macao Special Administrative Region, co-organised by the governments of the 9+1 provinces and regions of the Pan-Pearl River Delta, and co-ordinated by the Commerce and Investment Promotion Institute (IPIM) and the Environmental Protection Bureau (DSPA), the 2026MIECF is themed “Low-carbon, Zero Waste Cities: Embarking on a Global Collaboration”.

The highlights and main contents of the event are as follows:

- The Green Forum will invite prominent experts, scholars and industry professionals in the fields of carbon and waste reduction to share and explore strategies for the construction and development of low-carbon and zero waste cities in the 21<sup>st</sup> century.
- The Green Showcase will feature a newly established “Zero-Waste Circular Economy Zone”, with a special focus on the needs of businesses, demonstrating waste management and wastewater treatment technologies, as well as carbon trading and green finance services.
- The concurrent activities will cover issues including green technology, green energy, green urban development and carbon credits, bringing together the latest industry insights.
- Business matching sessions will take place during the exhibition, connecting Portuguese-speaking countries and the ASEAN market to promote regional sustainable development.

We hereby cordially invite your organization to dispatch representatives and arrange for enterprises to attend the 2026MIECF. Approved buyer registrants will enjoy **complimentary hotel accommodations, business matchmaking services, guided tours, and other benefits**. The final deadline for buyer applications is February 6, 2026.
