COMPANY PROFILE

LOCATION: Porto, Portugal

ABOUT US:

A dynamic, forward-thinking company, Oasipor-Medical S.A. employs a team of highly-skilled young professionals. As the pioneers behind the distinguished Medicalwear brand, we've set a benchmark in healthcare essentials. We specialize in providing an extensive array of single-use medical devices tailored for healthcare procedures and surgeries.

PRODUCT RANGE:

- **Core Offerings:** Sterilized surgical gowns, drapes, sets, and Customized Procedure Trays (CPTs).
- **Additional Offerings:** Non-sterile disposables such as scrub suits, visit gowns, patient covers, and more.
- **OEM Services:** Our products with your exclusive design.
- **Bulk Drape Production:** Automatic drape machine for simple, adhesive, reinforced and fenestrated drapes.

ONLINE FEATURES:

- **Website:** www.oasipor.pt
- **Webshop:** Members can purchase products online and track orders.
- **Pack Configurator:** Customize your packs based on individual needs.

STOCK & DISTRIBUTION:

We pride ourselves on our vast stock availability, ensuring immediate distribution. International shipping is available straight from our manufacturing unit, catering to the global healthcare market.

QUALITY & COMPLIANCE:

Our products adhere to the specifications set by the European Directive 93/42/CEE and the European Standard EN13795. Furthermore, our brand and offerings are registered with SFDA and the MDMA, permitting distribution within the MENA-regions.

PARTNERSHIPS:

At ARAB HEALTH, we are on the lookout for potential distribution partners and countries that align with our core values.

MISSION STATEMENT:

"Taking care of safe surgical solutions for hospitals, patients, and the environment."

For collaboration or more information, reach out to us through our official website. Together, let's ensure safer healthcare solutions for all.
