### COMPANY PROFILE

Family business in operation since 1940, Fatimastones works for worldwide markets using stone for all origins. Our aim is to work in partnership with our clients who trust and rely on us for all their works. For the past 10 years, Fatimastones has been successfully quarrying Blue Stone in Ireland (Lecarrow) and we also have our own quarry of Cream Fatima in Portugal. Our recent investments in our manufacturing unit, allied with a workforce of 45 collaborators, give us the confidence to face all the challenges to come.
