COMPANY PROFILE

Ceragni Group, based in Portugal, is composed by 2 factories (Ceragni and Certeca), manufacturers of wall ceramic tiles and floor tiles.

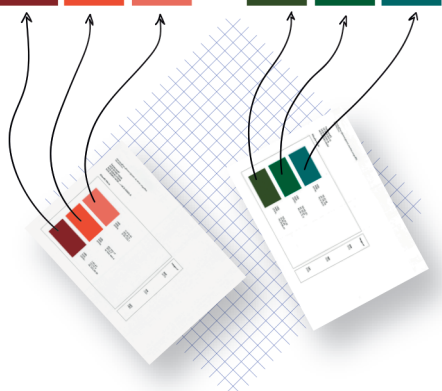

At Ceragni Group, you can find a selection of tiles ideal for residential, business and commercial spaces.

Both factories are committed to invest in technical development, to diversify products ranges and to give Clients the best service and follow up. All our collections are developed with emotion and passion, offering a diversity of formats, colors, decorations and finishings that allow Clients to create unique projects.
