## COMPANY PROFILE

RUIPEDRA is a family-owned Industrial Company established in 1994, specialized in the extraction and manufacturing of high grade Portuguese Limestones such as Moca Creme, Rosal, Moleanos, Atlantic Grey, and others.

High skilled personnel extract from our own quarries and craft at two (2) Factories to provide the best quality and service in the industry. Our products, used for internal and external pavings and claddings, have earned us long-lasting Clients and Partnerships.

RUIPEDRA's products can be seen in projects like the Kempinsky Hotel in Minsk, the Kuwait Cancer Centre (KCC), the Liverpool Ferry Terminal, the Waldorf Astoria Hotel in Doha, the Trump Tower in Chicago, the Hilton Embassy Hotel in Doha, the Rosewood Resort Amaala in KSA, the Mamoura Tower in Abu Dhabi, among others.

Our combined production capacity is over 340,000m<sup>2</sup> annually, with the commercial focus on expanding the business in the Middle East, where about 35% of our exports currently go.
