COMPANY PROFILE

Planoffice is part of Castelhana & Ferreira, a family business that began its activity in 1978.

It has developed a complete range of solutions focused on acoustic comfort, based in two big lines: acoustic panels and partitions. It also complemented its range with decorative panels and the establishment of several partnerships in order to present Global Solutions for different areas: offices, auditoriums, spaces related to the health sector, commercial areas, hotels, among others.

With a team of 34 employees and production facilities located in Leiria, Portugal, with over 2000sqm including carpentry and metalworking areas, it produces the complete range of acoustic panels and partitions.
