COMPANY PROFILE

The company was founded in 1962 to export marble, limestone and granite, mainly to the german market. Following the exploration of marble quarrying in the estremez region, the processing of these products started with the creation of the factory in borba in 1982. Over the years it has supplied projects in more than 50 countries. In 2023 it was acquired by Multimármore, increasing extractive capacity in another 3 quarries in the marble area in portugal.

Working with luxurious marbles from this region, such as Estremez, Rosa aurora, Rosa portugal and also other exclusive portuguese materials, such as Trigaches and Serpa (green and blue atlantic).

PRODUCTS

Portuguese marbles (quarries owners) and limestones. Marbles, limestones and travertines from all over the world.
