## COMPANY PROFILE

TORRIÉ is a Portuguese coffee brand produced by JMV company. JMV is a 100% family-owned company. JMV – José Maria Vieira, S.A., was founded in 1962 by Mr. José Maria Vieira. In over 60 years since it was founded, the company has overcome a tremendous challenge: transforming an essentially regional operator into a national and, today, an international organization with offices in Portugal, Spain, Canada and United States of America. It has clients throughout the 5 continents in more than 50 countries.

Torrié is distinguished for its national and international quality awards and for its ambitious innovation policy, which has been gaining considerable recognition around the world.
