COMPANY PROFILE

Nata Pura has become synonymous with the pastel de nata worldwide, offering consumers a premium, high-quality version of Portugal's iconic pastry.

By staying true to the original recipe while introducing trendy new flavours, we've redefined this classic dessert, where tradition meets innovation.

Stored at -18°C and pre-baked, it's ready in just 10 minutes in the oven or air fryer, with a flaky puff pastry crust and a creamy custard filling.
