COMPANY PROFILE

CISTÉR INDUSTRIA DE PRODUTOS ALIMENTARES, LDA is an agro-alimentary company located in Alcobaca, Portugal, whose main business is the production and sells cooked beans.

The company is producing since 1998 as a supporting company to RAIMUNDO & MAIA, LDA belonging to the same group but producing only its brand name "CISTÉR".

Due to the success of this partnership and because of the high growth of store brands, the company starts to produce other brands and currently holds around 90% share market in Portugal.

At the moment CISTÉR has already a large experience on terms of exports. Its products are being commercialized in several countries like: Spain, France, Italy, Poland, Angola, Cape Verde, etc.
