Ingredients for the  
Babyfood Industry

### COMPANY PROFILE

Dacsa Group is a Food Ingredients industrial group across three business areas: Rice Milling, Corn Milling and Food Solutions. With ten production plants in seven different locations across Europe (Spain, Portugal, Poland, Ukraine and the United Kingdom) and more than 500 employees. Dacsa Group is the leading corn milling company in Europe in all its sectors: breakfast cereals, snacks and the brewery industry and it is a distinguished rice producer in Spain and Portugal with recognized rice brands. Dacsa Group aims to become the partner of choice for its customers by bringing added value solutions to the Food Ingredients market. The company serves the Food Industry with products that are 100% natural, GMO Free and Allergen Free. Our Values are: Safety, Efficiency, Customer Focus and Commitment.
