COMPANY PROFILE

LACTOGAL is the leading Iberian dairy group, with 12 production units around Portugal and Spain. With almost 30 years in the market, LACTOGAL has some of the most reputed and chosen brands within all dairy categories. The know-how and mastery, aligned with a modern approach to the consumer and business market, places the group as a leading partner for every market, in any dairy category. With a full ownership of the value chain, LACTOGAL is able to ensure complete solutions for all its partners, from consumer brands to industrial products. Composed by Lactogal Produtos Alimentares S.A., Etanor Penha, Pronicol, Leche Celta and Queijos Santiago.

With transversal IFS Food Standard and Halal certification throughout the different production units, LACTOGAL is prepared to deliver to the highest standards.

A Group from which the best of the Portuguese and Iberian mastery, know-how is clearly evident throughout the different brands and products, as part of its DNA.

PRODUCTS

Milk, yoghurts, butter, cream, cow cheeses, goat cheeses, sheep cheeses and cheeses made from a blend of different milks, and PDO cheese from Azeitão and Nisa. On the ingredients side, LACTOGAL is also a provider of Milk Powders, whey and butter.

TRADEMARK

The Group operates under leading brands for the different product categories. With Lactogal Food Ingredients for the industrial products, Mimosa for the milk, yoghurt and butter products originary from Portugal mainland, Milhafre dos Açores for all end-consumer products from Azores, and established brands throughout the wide cheese portfolio.

EXPORT MARKETS

The group currently has established commercial relations with all five continents, showcasing the broad reach of its brands and products.
