COMPANY PROFILE

Diatosta and Rialto are two leading Portuguese brands dedicated to bakery excellence and crispy innovations.

Founded in 1977, Diatosta is the first and only company in Portugal exclusively specialized in producing toast and mini toasts, with two modern factories, 12 production lines, and over 350 employees delivering 90 tons of products daily. Rialto, established in 1988, extends this expertise to baked snacks — from croutons and mini breadsticks to breadcrumbs and flavored mini toasts.

Together, they combine tradition, quality, and innovation, offering solutions for Private Label, Contract Manufacturing, and Manufacturer Brands, bringing the pleasure of crunchy, flavorful moments to consumers worldwide.
