## COMPANY PROFILE

Founded in 1943, Vieira de Castro is a family-owned company and the largest Portuguese producer of biscuits, confectionery, and candies. With a strong commitment to quality and innovation, Vieira de Castro operates globally, exporting to over 50 markets across five continents, from Japan to the USA.

Decades of experience and expertise in developing new products have established Vieira de Castro as a benchmark in the sector, recognized with multiple awards. The company's ongoing investment in research, advanced technology, and product diversity ensures the ability to anticipate market trends and meet the evolving needs of consumers worldwide.

The key success factors of Vieira de Castro are the superior quality of its products, a broad and diverse portfolio, technological excellence, and a continuous focus on innovation and customer satisfaction.
