COMPANY PROFILE

Apertex is a global textile manufacturer specializing in high-quality jacquard products for home and hospitality, including bed, table, bath, and decorative segments. With a strong focus on innovation, we combine state-of-the-art machinery, premium raw materials, and advanced finishing techniques to deliver customized solutions that give our partners a competitive edge.

Our in-house design department enables full product personalization, whether under our own brand or through private label, and we proudly collaborate with many of the world's leading home textile brands. Apertex is present in major international fairs such as Heimtextil (Frankfurt), Interior Lifestyle (Tokyo), and Market Week (New York), and is a founding exhibitor at Guimarães Home Fashion Week.

Sustainability is at the heart of our production, with certified eco-friendly processes using recycled fibers, natural dyes, and water-saving finishing technologies. Our expertise in garment dyeing and stonewash techniques positions us as industry pioneers.

We uphold the highest standards of quality, transparency, and service. With flexible manufacturing options and a strong commitment to environmental responsibility, Apertex offers truly exclusive, tailor-made textile solutions that meet the evolving needs of a global market.
