COMPANY PROFILE

Alumínios Cesar, S.A., or CELAR, as it is known, was founded in May 1978, and it today an anonymous society of about 100 employees. Started its activity producing non-stick aluminium cookware, and later completed the range with other products, such as the aluminium Pressure Cookers.

CELAR is an outstanding leader in the Portuguese market, and certified company by SGS, by the Standard NP EN ISO 9001:2015.

We are now spreading our brand abroad, already with good customers in several countries.

As an industry with 45 years old, we are very experienced and always looking for better ways to improve and adjust our capabilities to our customer's demands. Also, following the trends with a close partnership with our suppliers, and accomplishment of all European Standards.
