COMPANY PROFILE

Synthir Pharma Lda is a Portugal-based pharmaceutical company operating since 2022 as a mixed-model partner combining manufacturing capabilities with commercial distribution. The company is committed to providing high-quality and compliant healthcare products across multiple therapeutic categories. Synthir Pharma adheres to Good Manufacturing Practices (GMP) standards and partners with certified facilities to ensure quality, safety, and regulatory conformity.

PRODUCTS

Aripiprazole, Celecoxib, Fluconazole, Pregabalin and food supplements.

TRADEMARK

Aripiprazole Synthir, Celecoxib Synthir, Fluconazole Synthir, Pregabalin Synthir, Collagen range, Synthiogen, Synthioglobin, Neurohelp, Synthcran, Nightol, Actacare, Neurofuel, Cerebro, Calcivida and Proti.

EXPORT MARKETS

Synthir serve partners across the EU, Africa, MENA region, and CIS countries. We are actively seeking new distributors and commercial partners to expand our international footprint and to explore licensing and collaboration opportunities.
