www.terminus.ua

The company “TERMINUS” – is one of the largest manufacturers of interior doors in Ukraine.

The company was founded in 2005 and over the last 20 years we have not only learned how to make doors, but have developed a highly sought-after range of products, which includes:

- **VENEERED DOORS** (4 collections; 33 models; 7 decors)
- **PAINTED DOORS** (2 collections; 30 models; 3 decors)
- **PREFABRICATED DOORS** (8 collections; 58 models; 25 decors)
- **PANEL DOORS** (2 collections; 28 models; 27 decors)

We are a key supplier to large DIY chain of stores both in Ukraine (“EPICENTR” and “NOVA LINIA”) and abroad (“DEPO” – Latvia, Estonia, Lithuania; “DOMINO” – Georgia).

We supply our products to the following countries: Romania, Moldova, Czech Republic, USA, Georgia, Lithuania, Latvia, Estonia, Belgium, Germany).
